Doors open at 13:30 allowing time to discuss problems, share information, shop at the bookstall, borrow from the Society's libraries and to consult the Society's database and indexes.

The meeting commences at 14:30 with notices and a guest speaker is usually in attendance. From time to time morning meetings are held for workshops and special events. A program of events for the current year is included on the Society membership card. Non members are welcome and are invited to make a small donation.

The current list of meetings for the Central Group is in the Events Calendar (Central Group Meetings are coloured blue).
